
About the Toe River Chamber Ensemble

The Toe River Chamber Ensemble (TRCE) is a community orchestra created in 1976 largely through the efforts of Susannah Jones, local cellist and then director of Music in the Mountains. All the musicians volunteer their time and talent to bring live classical music to our community through TRCE's free concerts. Over the years, many musicians of all capabilities and walks of life have played in the ensemble. The musicians come from Yancey, Mitchell, Madison, and Buncombe Counties. The Ensemble has been blessed with hardworking visionary conductors. Weekly rehearsals are held at the First Baptist Church of Burnsville under the capable leadership of Maestro Lisa Mauney.

Many, many thanks to First Baptist Church, Burnsville for sharing their beautiful space for our rehearsals and concerts—and for storing our percussion instruments and music.
