HOLIDAY STUDIO TOUR EXHIBIT

Twice a year, collectors of fine art and craft head to the mountains of Western North Carolina for the Toe River Studio Tour known for over a quarter century as an event of unsurpassed quality, beauty, and innovative thinking. Each participating studio tour artist and gallery are invited to share two of their best pieces with the public in an exhibit mounted on the gallery floor. Displays are arranged geographically and coordinate with the Tour Guide. Pieces may be purchased until the end of the year. This exhibition located at our Spruce Pine gallery Monday-Saturday, 10:30am-5:00pm, through December 29th.

DAVID WILSON GLASS & LIGHT EXHIBIT

"Glass and Light" showcases several of David Wilson's small sculptures, including several fluorescent glassworks. The glowing effect is achieved by combining glass with rare earth oxides before melting for coloration. And the various types of oxides produce different colors, from oranges to greens, to brilliant blues. The glass fluoresces under ultra-violet (UV) light. This is one of those exhibits that one has to witness in person in order to fully grasp the "glow" of these small sculptures in a dark area in the gallery. And just when you think you have seen it all, Wilson, a multi-faceted glass blower, will have on display his almost alien-like bowls cradled atop blown glass legs. Some are for drinking, others for holding, each bowl perfectly positioned and more unique than the one before. This exhibition located at our Burnsville gallery Monday-Saturday, 10:30am-5:00pm, through December 29th.

COMMUNITY WORKDAYS

Toe River Arts locations will be closed the month of January to sweep, mop, clean and give our spaces some attention. We would love to have some extra help on January 5th at our Spruce Pine location and January 12th at our Burnsville location.

Program Notes:

LET THERE BE PEACE ON EARTH

One summer evening in 1955, a group of teenagers of all races and religions, meeting at a workshop high in the California mountains formed a circle and sang a song of peace. They felt that singing the song, with its simple basic sentiment---"*Let there be peace on earth, and let it begin with me,*" helped to create a climate for world peace and understanding. And, as though on wings, "*Let There Be Peace On Earth*" began it's amazing journey around the globe. The song spread overseas to Holland, England, France, Germany, Lebanon, South Africa, Asia, and Australia. Even the Zulus in Africa. Over 35 professional singers took it up, including Ernie Ford, Andy Williams, Mary Tyler Moore, Johnny Mathis, Lloyd Bridges. The song began to win awards, one being a Brotherhood Award from the National Conference of Christians and Jews. This simple thought, Let there be peace on earth, and let it begin with me, first born on a mountain top of voices of youth, continues to travel heart to heart-gathering in people everywhere who wish to become a note in a song of understanding and peace-peace for all mankind.

Thank You

The Toe River Chamber Ensemble and Toe River Community Chorus are comprised of a wonderful group of musicians and singers who volunteer time and expertise to play music for the community. We would like to thank the following musicians and singers for dedicating their Tuesday evening to the Toe River Chamber Ensemble Annual Holiday Concert.

We would also like to thank First Baptist Church for the use of their space. We couldn't do what we do without them!
